## RE: Student Homework

Dear Parent and Carers

All student homework at Charlton is set on either Doodle or Microsoft Teams. Students can access this homework by logging onto doodle learn online or via the Doodle App. All students will have received their username and password by the IT department or their form tutor. If your child is unable to access their doodle account, please email Mr Thomas: [michael.thomas@charlton.uk.com](mailto:michael.thomas@charlton.uk.com)

The following video links will help you understand how students set up and use doodle:

Logging in: [www.doddlelearn.co.uk/support/logging-in/](http://www.doddlelearn.co.uk/support/logging-in/)

Finding resources: [www.doddlelearn.co.uk/support/resources-and-homework/](http://www.doddlelearn.co.uk/support/resources-and-homework/)

Teaching staff will set homework on Doodle which may require students to click the 'SUBMIT' to say they have completed the homework. Only Doodle resources can automatically be viewed by teachers. If the homework has been assigned on a programme such as Microsoft word or PowerPoint then this can either be printed off and handed in to staff, sent through Microsoft Teams or emailed to the class teacher or the subject email below:
