Picture News

11th November 2021

What's going on this week?

A German professor believes that secure playgrounds prevent young people from finding out important dangers during their early years. Rolf Schwarz, from Karlsruhe College of Schooling in Germany, argued that 'we want to permit youngsters to return into touch with threat'. Built in 2018, a very high climbing tower, with many risky obstacles in Berlin-Frohnau's Ludwig Lesser Park is an example of a trend that has become popular in Germany over the last five years.

Many educators and manufacturers believe that playgrounds must stop aiming only for safety and instead create challenging spaces that teach children to navigate difficult situations even if the consequence is occasional injury.

Book of the Week

you are a champion by Marcus Rashford

Marcus Rashford MBE is famous worldwide for his skills both on and off the pitch – but before he was a Manchester United and England footballer, and long before he started his inspiring campaign to end child food poverty, he was just an ordinary kid from Wythenshawe, South Manchester. Now the nation's favourite footballer wants to show YOU how to achieve your dreams, in this positive and inspiring guide for life.

Written with journalist Carl Anka, *You Are a Champion* is packed full of stories from Marcus's own life, brilliant advice and top-tips from performance psychologist Katie Warriner. It will show you how to be the very BEST that you can be.

Book Donations wanted

If you have any spare books that are suitable for ages 11-16, please bring them into school. The Library would be extremely grateful for these donations and in return you will receive a house point.
