Democracy

Democracy can be seen as a state of society characterised by equality of rights and privileges. It can also refer to our nation's electoral systems.

Rule of Law

It is expected that while different people may hold different views about what is 'right' and 'wrong', all people living in England are subject to its law.

Mutual Respect

The proper regard for an individual's dignity, which is reciprocated.

Individual Liberty

Individual liberty suggests the free exercise of rights generally seen as outside Government control.

Tolerance

A fair, objective, and permissive attitude to those whose faith, religion and beliefs may differ from one's own.

RESPECT

RESILIENCE

RESPONSIBILITY

On **Thursday 16th December**, we will be holding a Christmas themed non-uniform day. Students can wear their own clothes, hopefully with a touch of tinsel, or a Christmas jumper, for the cost of £1, payable on the day. This year we are raising money for Save the Children and the Learning Community Trust food hub, which provides food and household goods to members of our own community who need it the most.
