

Charlton School Safeguarding Newsletter

Keeping our children safe across school, online and in our community.

Edition 1

Autumn 1

Are you worried about a child?

Charlton School is committed to keeping children safe. We have robust policies and procedures to help our young students thrive whilst working in the 21st Century.

We have trained staff who work with the Local Authority and specialist support services/agencies to keep our students safe in and outside the school.

If you are worried about the safety of one of our students, please contact one of our designated staff below on 388000. If it is outside of school hours, please contact one of the agencies listed below. The important thing is to remember you are not on your own and don't wait. Together we make a difference.

Charlton School recognises our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We will endeavour to provide a safe and welcoming environment where children are respected and valued. We will be alert to the signs of abuse and maltreatment and will follow our procedures to ensure that children receive effective support, protection, and justice. The procedures contained in the Child Protection and Safeguarding policy apply to all staff and governors and are consistent with those of the local Safeguarding Children Board.

Core principles

The policy is one of a series in the school's integrated safeguarding portfolio. Our core safeguarding principles are as follows:

- The school's responsibility to promote the welfare, safety and happiness of children is of paramount importance.
- Safer children make more successful learners.
- Representatives of the whole school's community of pupils, parents, staff and governors will be involved in policy development and review.
- Policies will be reviewed annually, unless an incident or new legislation or guidance suggest the need for an interim review.

Welcome to the first edition of Charlton's Safeguarding newsletter.

The purpose of this newsletter is to share safeguarding information with our community.

Look out for a purple lanyard

THESE ARE CHARLTON'S MAIN DSL'S:

If you see a member of staff wearing a purple lanyard, this means they are a designated safeguarding lead.

They have had specific training for dealing with any safeguarding matters that you may have.

If you have any worries or concerns do not hesitate to go to them to report any safeguarding concerns or for help and advice.
